ROAMWISE × E-CELL, SBM NMIMS MUMBAI

Startup Garage PR Kit

Event: Startup Garage · Thursday 15 October 2026 · SBM NMIMS Mumbai · organised by E-Cell, SBM NMIMS Mumbai · RoamWise is the AI travel-planning partner.
Prepared for: Tannu, E-Cell NMIMS · **By:** Mohit Pandey, Founder, RoamWise (founder@roamwise.co.in) · Draft v1.1 for E-Cell approval, 11 October 2026.

What this kit is. Everything E-Cell needs for the MOU deliverables in section 4: a proposed campaign schedule, ready-to-use copy for the 2 Reels, 4 Stories, 1 LinkedIn post and 2 campus pushes, a stage line, the QR and poster, and the travel quiz. All dates and copy are **proposals for E-Cell to approve or change**. Please reply with edits and we will update.

1. The one-page summary

- **The offer:** up to 500 complimentary lifetime Founder Pro passes: 50 for approved E-Cell organisers and 450 for eligible NMIMS students and audience (final eligibility method to be confirmed in writing).
- **How a pass works:** each person gets a personal, single-use code from E-Cell. They sign in to RoamWise with the same verified email, tap "I have a pass → Redeem" and paste the code. Valid for 30 days from the day it is issued. Pro already activated stays for life.
- **Redeem page for students:** `roamwise.co.in/nmims/redeem` · **Quiz:** `roamwise.co.in/nmims/quiz`
- **QR rule (MOU 3.2):** a public QR or link only opens instructions. It never creates a pass. Codes come only from the coordinator.
- **Travel-safety tools stay free for everyone** and need no pass.
- **Support:** support@roamwise.co.in · WhatsApp +91 99873 79730 · community group: chat.whatsapp.com/EofM9cGCVkoCtdG6Ozhh1G

2. Proposed campaign schedule (MOU 4.2)

When	What	Channel	Who posts	Asset
Mon 12 Oct, 6 pm	Reel 1: "Tusk vs the group chat" (collab)	Instagram	E-Cell posts, RoamWise is collaborator	Script in section 4A
Mon 12 Oct	Story 1: 3 days to go	Instagram	E-Cell	story-1-countdown.png
Tue 13 Oct	Story 2: redeem in 60 seconds	Instagram	E-Cell	story-2-redeem.png
Tue 13 Oct	LinkedIn post	LinkedIn	E-Cell (RoamWise reshares)	Copy 4C + linkedin-card.png

Tue 13 Oct	Campus push 1: WhatsApp and class groups	WhatsApp	E-Cell	Copy 4E
Wed 14 Oct	Story 3: quiz poll	Instagram	E-Cell	story-3-quiz.png + link sticker
Wed 14 Oct	Campus push 2: notice boards and poster	On campus	E-Cell prints	poster-a4.pdf
Thu 15 Oct	Stage mention (once) and QR on screen or poster	Venue	E-Cell host	Section 4D, led-slide-16×9.png
Thu 15 Oct	Story 4: scan and redeem	Instagram	E-Cell	story-4-today.png
Fri 16 Oct	Reel 2: Startup Garage in 30 seconds (collab)	Instagram	E-Cell posts, RoamWise collab	Shot list in 4B
By Thu 29 Oct	Aggregate results exchange (MOU 3.4 and 4.4)	Email	Both	Reach and redemption totals

Coupon handover is separate: RoamWise will share the pass codes only with the nominated coordinator, by a private link to an NMIMS email address, planned for 13 October. No codes are in this kit.

3. What each side delivers (from the MOU)

RoamWise (section 3)	E-Cell (section 4)
Single-use pass codes via the admin process, bound to the recipient's verified email Campaign copy, co-branded QR instructions, creative assets (this kit) Travel-personality quiz (built, link above) Support for recipient issues Aggregate results within 14 days after the event Safety tools free to all	Approve branding; recognise RoamWise as AI travel-planning partner for this campaign 2 collaborative Reels, 4 Stories, 1 LinkedIn post, 2 campus pushes One stage mention and one logo/QR activation point Promote the quiz once; share reach/engagement results Nominate an authorised coordinator; verify the organiser and student list privately

Please confirm in writing (still open in MOU section 9): (1) the nominated coordinator's name and NMIMS email, (2) the method for choosing the 450 student passes, (3) approval of the schedule above, and (4) the privacy wording: RoamWise uses name, verified email and pass status only to issue and redeem a pass; marketing messages are a separate opt-in; personal details are not shared with E-Cell without notice and consent.

4. Content, ready to use

A. Reel 1: "Tusk vs the group chat" (about 20 seconds, post 12 Oct)

Idea: Ailon Tusk is RoamWise's AI trip planner. Show it solving the one thing every group chat fails at: planning a trip. Record a **real** answer on screen. Do not fake or edit the planner's reply.

Time	Visual	On-screen text / voice
0–2 s	Phone with a messy group chat ("kahan chalein?" 47 unread)	"NMIMS, your group trip never gets planned."
2–9 s	Screen recording: type the prompt below into Ailon Tusk, show the reply scrolling	"So we asked an AI."
9–14 s	Face to camera or logo card	"This is Ailon Tusk, RoamWise's AI trip planner, built by a solo founder in Almora."
14–18 s	Startup Garage card (joint banner)	"At Startup Garage on 15 October, NMIMS pass-holders get free lifetime Founder Pro."
18–20 s	QR / link card	"Pass from E-Cell. How to redeem: link in bio."

Prompt to type on screen (use one):

> Plan a 3-day weekend trip from Mumbai for 4 friends on a student budget. We like street food and one proper view. Give a day-wise plan, a rough budget, and what we should confirm before booking.

> We are 5 NMIMS friends with ₹3,000 each and one free weekend. Where should we go from Mumbai, and what is the cheapest sensible way to get there?

> Plan a Lonavala day trip for students that ends before the last train, with food stops and a rainy-day backup.

Caption:

> Your group chat: 47 unread, zero plans. Ailon Tusk: here is a 3-day plan and a budget. 🧭 Startup Garage, 15 Oct, SBM NMIMS Mumbai. NMIMS pass-holders get free lifetime Founder Pro on RoamWise. Get your pass from E-Cell, then redeem in 60 seconds: link in bio. RoamWise × @ecellnmims #StartupGarage #NMIMS #RoamWise #AITravel #StudentTravel

B. Reel 2: "Startup Garage in 30 seconds" (post 16 Oct)

Time	Shot
0–3 s	Wide: hall, lights, crowd arriving. Text: "15 October · SBM NMIMS Mumbai"
3–10 s	Stage: a speaker clip (only with the speaker's and organiser's permission), then the E-Cell stage mention of RoamWise
10–20 s	Students scanning the poster QR (film hands and phones, or get consent before showing faces)
20–27 s	Screen recording on a **test account**: Redeem screen, then the congratulations card "Founder Pro unlocked". Never show a real student's code or email.
27–30 s	End card: joint banner + "roamwise.co.in/nmims/redeem"

Audio: "Rave to Hell", an original track by Mohit Pandey (RoamWise's founder), cleared for this use by its owner. Streaming links are on the RoamWise home page.

> Startup Garage, done. 🔥 Thank you, NMIMS. If you got a pass, redeem it in 60 seconds: roamwise.co.in/nmims/redeem (passes are single-use and valid 30 days from issue). RoamWise × E-Cell, SBM NMIMS Mumbai #StartupGarage #NMIMS #RoamWise

C. LinkedIn post (13 Oct, from E-Cell; RoamWise reshares). Image: linkedin-card.png

> Startup founders speak. Students ask. And this year, a solo founder from Almora is giving students a way to travel smarter.
>
> E-Cell, SBM NMIMS Mumbai is partnering with RoamWise, an AI travel planner for Indian travellers built by Mohit Pandey from Almora, for Startup Garage on 15 October.
>
> What that means: pass-holders at Startup Garage can claim a free lifetime Founder Pro membership on RoamWise (up to 500 passes: 50 for organisers, 450 for students and audience). This is an in-kind collaboration, and travel-safety tools stay free for everyone.
>
> How it works: get your personal code from E-Cell, sign in to RoamWise with the same email, tap "I have a pass", paste the code. Details: roamwise.co.in/nmims/redeem
>
> Not sure what kind of traveller you are? Take the 40-second quiz: roamwise.co.in/nmims/quiz
>
> #StartupGarage #NMIMS #Entrepreneurship #RoamWise

D. Stage mention (once, 15 Oct)

15-second version:

> "Our travel partner is RoamWise, an AI trip planner built by a solo founder in Almora. If you have a pass from E-Cell, scan the QR on screen, sign in with the same email, and paste your code. Free lifetime Founder Pro. Thank you, RoamWise."

30-second version (add):

> "Each code is single-use and valid for thirty days. No pass yet? Ask any E-Cell volunteer. And take the quiz to find out what kind of founder-traveller you are."

On the LED screen / poster: led-slide-16×9.png and poster-a4.pdf (QR opens the redeem page only).

E. Campus pushes (2)

Push 1: WhatsApp and class groups (13 Oct)

> 📣 Startup Garage · 15 Oct · SBM NMIMS Mumbai
> RoamWise, an AI travel planner, is our travel partner. Pass-holders get FREE lifetime Founder Pro.
> 1) Get your personal code from E-Cell
> 2) Sign in at roamwise.co.in with the same email
> 3) Tap "I have a pass → Redeem" and paste it
> Single-use, valid 30 days from issue. How it works: roamwise.co.in/nmims/redeem
> Bonus: which founder-traveller are you? 40-second quiz: roamwise.co.in/nmims/quiz

Push 2: notice boards and the entrance (14–15 Oct): print poster-a4.pdf (A4, colour), and put the 16:9 slide on the LED screen at the entrance.

F. Story copy (graphics included)

Story	Date	Text on the graphic	Sticker to add
1	12 Oct	"3 days to go. The founders may be late. Your countdown is not."	Instagram countdown to 15 Oct
2	13 Oct	"Redeem in 60 seconds" with 4 steps	Link sticker to roamwise.co.in/nmims/redeem
3	14 Oct	"Which founder-traveller are you?"	Link sticker to roamwise.co.in/nmims/quiz, plus a poll: "Bootstrapper or Pitch-Deck Planner?"
4	15 Oct	"Scan. Redeem. Travel." two QR codes	Location tag SBM NMIMS Mumbai

5. Quiz: "Which founder-traveller are you?"

Six questions, about 40 seconds. Nothing is saved or sent. Four results: **The Bootstrapper**, **The Pitch-Deck Planner**, **The Network Nomad**, **The Slow Mountain Founder**. Each result gives a one-tap prompt to paste into Ailon Tusk and a share button. Link: roamwise.co.in/nmims/quiz · QR: qr-quiz.png. Please promote it once (MOU 4.4). The quiz fulfils the "travel-personality quiz" in MOU 3.4.

6. Brand, do and don't

- **Colours:** crimson `#7a1238`, gold `#E8BA6C`, deep night `#07090F`. **Name:** "RoamWise × E-Cell, SBM NMIMS Mumbai". **Joint logo:** joint-logo-banner.png.
- **Do:** say "AI trip planner"; say "free lifetime Founder Pro for pass-holders"; show only test accounts; tag RoamWise on Instagram and LinkedIn; keep the 30-day and single-use wording.
- **Don't:** say "free for all students" (there are up to 500 passes); show or post any pass code; promise commission, cash or payment to anyone; imply NMIMS endorses RoamWise beyond this campaign; post a QR that suggests it gives a pass; run a public referral drive (MOU 7 needs a separate written settlement first).
- **Use of names and logos:** RoamWise may use NMIMS and E-Cell names and logos only as authorised in writing. Please confirm the joint banner is approved.

7. If something goes wrong

Problem	Answer
"Code not found"	Check for a missed character or a 0/O mix-up, then retry.
Code lost	Tell the coordinator. The lost code is cancelled and a new one is issued.
Already have Pro	The code is not used. Give it to a friend instead.
Code expired (30 days from issue)	Ask the coordinator. E-Cell and RoamWise will decide together. Pro already activated is never taken back.
Can't sign in / email not verified	Verify the email first; the code only works on a verified account.
Anything else	support@roamwise.co.in or WhatsApp +91 99873 79730 (include the code and the sign-in email).

8. Ready-made videos and the click-through playbook (v1.1)

Two vertical videos (1080×1920, under 1.5 MB each) and three cover images are in the shared folder under `video/`. Both were screen-recorded from the live RoamWise site with a real, unedited Ailon Tusk answer. The soundtrack is "Rave to Hell", an original track by RoamWise's founder, so there is no music-licence issue; swap it for any audio you prefer inside Instagram.

File	Length	Use
Reel1-Startup-Garage-pass.mp4	about 18 s	Collaborative Reel 1. Hook, live countdown card, Tusk answering "How do I redeem my pass?", QR end card. Use the caption in 4A, but swap the first line for the hook you pick below.
Redeem-in-60-seconds.mp4	about 19 s	Story or Reel for the day after the first post. Five steps, one code.
cover-A / B / C.png	-	Reel covers. Key text sits in the centre 3:4 area so the profile grid does not crop it.

The countdown on the video was recorded on 11 October, so it shows about 3 days 14 hours. If you post after 13 October, post the Story 1/2 countdown graphics instead and use the Tusk part only.

Three hooks to test (one per cover)

Cover	Hook (first 2 seconds)	Why test it
A	"500 free lifetime Pro passes."	Benefit first. Best for people who do not know RoamWise.
B	"Your pass is waiting."	Personal and curious. Best for people already registered for the event.
C	"Ask the mascot: how do I redeem my pass?"	Question hook. Best for scroll-stopping, weaker on the offer.

Rules that decide whether people stop scrolling

- Put the text hook on screen in the first second. Most people watch with sound off, so captions stay on.
- Keep it under 20 seconds and finish on the single ask. One call to action only: "Scan or tap the link: how to redeem".
- Post as an Instagram **Collab** from E-Cell's account (@ecellnmims) so it shows on both profiles and reaches both audiences.
- Put the link where people can tap it: link sticker on the Stories, link in bio for the Reel, and a pinned first comment with https://roamwise.co.in/nmims/redeem/.
- Post in the evening, roughly 7–10 pm IST, when students are on their phones. Check E-Cell's own Insights "Most active times" and use that if it differs.
- If Instagram offers Trial Reels on your account, show the Reel to non-followers first with hook A, then B, then publish the winner.

How to judge it (no guessing)

In Instagram Insights, compare each Reel with E-Cell's last five Reels. The numbers that matter, in order: shares/sends, saves, link taps, then average watch time and reach. Please send us a screenshot 24 hours and 7 days after posting. RoamWise will add the redeem count from the pass desk, so the post-event summary shows reach to redeems, using aggregate numbers only.

Make your own version (YouTube Create, CapCut, Instagram Edits)

> Make a 20-second vertical video, 9:16. Open with big text: "500 FREE LIFETIME PRO PASSES" for 2 seconds. Then show a phone screen recording of the RoamWise app answering "How do I redeem my pass?". End on a card with the Startup Garage banner, the QR code, and "Scan: how to redeem". Captions on. No real people's faces without their permission. Keep the music under the voice or text.

> Create 3 original B-roll clips, 3 seconds each, vertical: (1) friends planning a trip on a phone in a college corridor, warm evening light, no visible logos or faces in focus; (2) a train window with the Mumbai skyline moving past; (3) a laptop with a pitch deck beside a cup of chai. Use them only as cutaways between the screen recordings.

> Reel 2 (after the event): film 3 s of the hall, 4 s of the stage mention, 3 s of the QR table, 5 s of students scanning, then end with "Pass from E-Cell. How to redeem: link in bio". Only film people who are fine with being filmed; use the Reel 2 shot list in 4B.

9. Community pushes: what to send back

The MOU asks for 2 campus/community pushes. So that both teams can see what actually went out, please send, for each push: the channel (for example the E-Cell Instagram, WhatsApp community or LinkedIn), the date and time, a screenshot or link, and, if you are comfortable sharing it, the number of members or views after 24 hours. A private WhatsApp community cannot be checked from outside, so a screenshot is all we need.

Push	Channel	Date and time	Link or screenshot	Views / members
Reel 1				
Stories 1–4				
LinkedIn post				
Campus push 1				
Campus push 2				

10. File list in the shared folder

- poster-a4.pdf / poster-a4.png (A4 poster with QR to the redeem page)
- led-slide-16×9.png (for the stage screen)

- story-1-countdown.png, story-2-redeem.png, story-3-quiz.png, story-4-today.png (1080×1920)
- linkedin-card.png (1200×627)
- qr-redeem.png / .svg and qr-quiz.png / .svg (print-ready, error-correction M)
- joint-logo-banner.png (1200×630)
- video/Reel1-Startup-Garage-pass.mp4, video/Redeem-in-60-seconds.mp4, video/cover-A/B/C.jpg (new in v1.1)

QR codes were scan-tested. They point to https://roamwise.co.in/nmims/redeem/ and https://roamwise.co.in/nmims/quiz/.
