- Sohra
- Nongriat
- Mawsynram
- Dawki
- Mawlynnong
- Jaintia Hills
- Shillong Buffer

DAY

01

Shillong → Sohra

MORNING

Arrive or begin from Shillong / Guwahati. Keep the first movements simple and establish the route rhythm toward Shillong.

AFTERNOON

Focus on market, cafes, music and hill-city orientation; waterfalls, caves and cliff landscapes. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Sohra; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

Heavy rain changes cave, waterfall and road safety. Use local guides for technical caves and remote trails.

DAY

02

Nongriat → Mawsynram

MORNING

Start early enough for a relaxed transition toward Nongriat. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on living-root-bridge trek; caves, rain country and villages. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Mawsynram; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

Heavy rain changes cave, waterfall and road safety. Use local guides for technical caves and remote trails.

DAY

03

Dawki → Mawlynnong

MORNING

Start early enough for a relaxed transition toward Dawki. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on river corridor and border landscapes; village, roots and forest walks. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Mawlynnong; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

Heavy rain changes cave, waterfall and road safety. Use local guides for technical caves and remote trails.

DAY

04

Jaintia Hills → Shillong Buffer

MORNING

Start early enough for a relaxed transition toward Jaintia Hills. Keep transport flexible and protect daylight for the best landscapes or heritage stops.

AFTERNOON

Focus on quieter cave/waterfall extension; food, craft and weather buffer. Prioritize one or two strong experiences rather than racing through a checklist.

EVENING

Settle around Shillong Buffer; choose a local meal, short sunset/market walk, then review the next day's weather, transport and opening conditions.

FIELD INTEL

Heavy rain changes cave, waterfall and road safety. Use local guides for technical caves and remote trails.
